

WHISSONSETT ANNUAL PARISH MEETING

Minutes of the Annual Parish Meeting held virtually on Monday 3rd May 2021 at 7.00pm.

The Vice-Chairman of the Parish Council, 8 members of the public (including representatives of local groups and parish councillors) and the Clerk were present. The Vice Chairman of the Parish Council took the Chair due to the poor internet connection of the Chairman.

1. Welcome and apologies for absence.

The Chairman welcomed everyone to the meeting. Apologies were received from County Cllr Mark Kiddle-Morris, District Cllr Trevor Carter, Mr Mike Pye (Carpet Bowls), Mr Richard Andrews (Outdoor Bowls), Mrs Caroline Wilson (100 Club), Mrs Jean Hart (20/10 Group) and Mrs Sue Rutter (PCC).

2. To approve the minutes of the Annual Parish Meeting held on 13th May 2019.

The minutes were approved as a true record and will be duly signed by the Chairman.

3. To receive reports from District Councillor and County Councillors.

In their absence the Chairman read the reports of both councillors, copies are attached.

In respect of the County Councillor, the issue of potholes was raised as these were particularly bad in the village at the present time. It was agreed that Councillors should continue to report them via the online system.

4. To receive a report from the Chairman of the Parish Council.

A copy of the Chairman's report is attached.

5. To receive reports from Village Clubs and organisations.

a) Carpet Bowls Club – no report available.

b) Outdoor Bowls Club – copy attached.

c) Women's Group – this group has not met since March 2020 and has no plans to meet again until safe to do so.

d) Village Hall Committee – copy attached. In addition to the report, Mrs Dawn Rangeley reported that both the Village Hall and the Outdoor Bowls Club had received regeneration grants of £10,000 and that the Village Hall had received £5,000 in match funding from Breckland for the refurbishments.

The Hall will reopen from the 21st June but users will need to supply their own Covid-safe plan, in addition to the measures put in place by the Committee.

The Chairman thanked Mrs Rangeley for attending and presenting the report.

e) 100 Club – copy attached.

f) 20/10 Group – copy attached.

g) Horticultural Society – copy attached.

The Chairman thanked Mrs Griffiths for attending and presenting the report.

h) Parochial Church Council – copy attached.

6. To receive a report regarding the SAM II Speeding Sign Results.

A copy of the report is attached. Cllr McGee reported that she had met with the Highways Engineer who had confirmed that Parish Council could select sites, as long as they met the criteria. A new site opposite the Church, one mid-London Street and possibly at the V junction on Mill Lane will be considered and the West End site can be pointed in both directions. The camera is on a four-week cycle with one week spent at each location.

The Chairman thanked Cllr McGee for her report.

7. Open Forum – an opportunity for residents to express their views on matters of interest or concern relating to the village and to suggest ideas for the future.

A suggestion of a communal compost heap at the allotment site was made and this will be considered at the Parish Council meeting.

A request to move the dog bin at West End was made but it was noted a bin had twice been stolen from this location and although it had been reported to and investigated by the police, no action had been taken. It was agreed not to progress this matter.

It was noted that the bin in the play area was not being emptied and this will be reported to Breckland.

8. To confirm the date of the next annual parish meeting.

The next annual parish meeting will be held at 7.00pm on Monday 9th May 2022.

The meeting closed at 7.55pm.

Whissonett Parish Council

Annual Meeting 2021

Report from District Councillor

For the past 12 months the whole of the country has been under the cloud of Covid-19 and for many of us it life as we knew it became almost unrecognisable. Certainly my role as District Councillor was significantly affected by the inability to meet residents in need of assistance in person. Having to rely on phone calls and emails invariably made understanding of the need and how it might be resolved, more complicated. However, despite Covid restrictions it has been possible to deal satisfactorily with the majority of issues raised by residents.

Some of issues have involved shopping, either by helping to arrange on-line shopping, or seeking help from friends or neighbours to assist in various ways - collecting medication and so on. I have also been contacted by distant relatives of elderly or infirm residents to check that they are alright. I have been impressed by the way that local communities have sought to help in any way they can.

On a wider front Covid does not appear to have reduced Fly-Tipping in our area. During the last 12 months on my weekly drive around the Ward I have found and reported 63 fly-tips of various sizes and content, another 20 have also been reported by residents - help which is greatly appreciated. Much of the content of these thoughtless acts appears to be trade waste, vehicle tyres, Decorators tins, brushes, etc, electrical wiring, (often stripped of wire), Plumbing Piping, Basins, toilets, taps etc, to household, toys, pushchairs, beds, chairs and so on. to larger items such as Caravans, trailers, cars. The cost of this Anti-Social behaviour is paid for by every householder through their rates, so please report anyone you see involved in such thoughtless activity.

On a more positive note I have been able to support a number of applications for grants for improvements to Village Hall kitchens and other facilities, also improvements to Roofing, doorways, windows and flooring. Substantial grants have also been provided for improvements to play equipment.

Breckland Council as also maintained its ranking as the Local Authority with the lowest Council Tax in the country with the minimum rise for the coming year, as well as providing extensive grants to assist local businesses.

As your local councillor I have sought to assist parish councils and residents in any way possible and will continue to do so to the best of my ability and I thank you all for your continuing support. Stay Safe and Stay Well.

Trevor Carter
Breckland District Councillor for Hermitage Ward.

County Councillor for Necton and Launditch Annual Report Report 2018-2019.

Norfolk County Council agreed a net revenue budget of £409.293m on the 11th February. It was agreed that Council tax would rise by 2.99% adding £39.51 per year to a band D property and that an adult social care charge of a further 3% rise was not to be made. The financial climate in which local government operates continues to be challenging with significant and ongoing reductions in core funding at the same time as substantial service cost pressures. The agreed council tax increase of 2.99% will enable the Council to protect vital services and will help to ensure a robust and sustainable financial position in future years. This years budget is balanced, robust and allocates our resources across Norfolk's people and communities in the best way we can.

The Council has absorbed significant and ongoing cuts in government funding, a total of £204m between 2010-11 and 2018-19. There are significant cost pressures such as inflation, demographic changes, unfunded burdens such as the National Living Wage and the need of vulnerable social care users becoming increasingly complex. Despite those pressures the Council is continuing to deliver savings and has plans in place to deliver £79m of savings by 2021-22. This includes £32m of saving in this financial year.

The Council has also agreed a £549m, 3 year, capital programme which will pay for investment in infrastructure, property and equipment. £120m will be spent on new special schools and resource bases for children with special educational needs, £120m on the third river crossing at Yarmouth, £9m for extra care housing to help older people live independently as part of a total investment of £29m. Most of the expenditure for capital projects is borrowed from the Public Works Loan Board, a department of HM Treasury, and repaid from revenue over a long period.

Adult social care costs continue to escalate, and the Council has made provision in the budget to invest £6m to address growing demand. Although the 3% adult social care precept was not raised this year all council tax rises from 2016-17 to 2018-19 are expected, by government, to be spent on adult social care. Thus, this year's council tax bill shows an adult social care precept of £96.05 for a band D property with no increase for this year. Additionally, government has awarded the Council a grant of £4.2m to help alleviate winter pressure on the Counties health and social care services. The money will go towards measures to avoid unnecessary delays in hospitals for people with mental health difficulties; bolster the short term capacity in the care market

and to provide reablement support to enable people to regain their ability to live independently.

There are also substantial financial pressures on Children's Services. The Council has around 200 statutory responsibilities for children and the government has increased the top of the age range from 18 to 25. There are 1200 children in the care of the Council (the numbers have stabilised), 3000 children in special and complex needs schools, 2,900 children in need (590 with CP plans) and 20,000 children with special educational needs. The under 25 population of Norfolk is 243,000. As an example, home to school transport costs £27.7m pa, placements and support for looked after children costs £57m pa and education and care for children with SEN £56.4m pa out of a total budget of £186m.

The government awarded the Council £12.7m to fund pot hole repairs and highway improvement schemes. The highway team have been doing a good job over the summer and have largely caught up with the backlog of work. The extra cash must all be spent by the end of the financial year so some improvement schemes which have been shelved though lack of funding have been resurrected. In my area much needed resurfacing of 2 miles the B1145 was completed in February. Resurfacing work at 3 busy junctions will be carried out before the end of March. Norfolk has been ranked 4th out of 28 similar councils in a national highways and transport survey. The highest scores for the county were for traffic levels and congestion and the condition of roads and footpaths.

The Council continues to lobby government and the Highways Agency, through the A47 Alliance, to fund the dualling of the A47 from Peterborough to Yarmouth. The stretch of road between Tuddenham and Easton has been approved and work will start in 2021/22, this will provide a continuous dual carriageway link between Dereham and Norwich. Other schemes in Norfolk to 2020 include junction improvements at Thickthorn and at Yarmouth and dualling between Biofield and North Burlingham. Another top priority for the Council is the so called western link, the construction of a road between the A1067 and the A47. This would link the newly completed Broadland Northway (the NDR) with the A47. The final account for the construction of the Broadland Northway has been settled in the sum of £205m.

Last May the Council took the decision to revert to the Cabinet system of governance from May 2019 (an earlier transition was not possible legally). The

recent departure of the Managing Director has given rise to an opportunity to move to an Executive Leader model. This would mean that the Council would be run on a day to day basis through weekly meetings between Cabinet members and the Senior Management Team (the paid Directors) with the Leader as Chair with all decisions being put through Cabinet or promulgated for consideration by Members. A Scrutiny Committee chaired by a member of the opposition will monitor outcomes and will run a call-in system where decisions taken by the Executive Members and Cabinet can be called in by Members for discussion. 3 Select Committees will develop policies and make recommendations to Cabinet.

An additional £11m contract has been let to increase the superfast (>10mbps) broadband coverage from 92% to 95% in Norfolk. This will typically give coverage to properties and businesses that cannot be connected by Fibre to the Cabinet (FTTC) solutions and will use other technologies including Fibre to the Premises (FTTP). The small improvement in coverage for a sizeable investment reflects the difficulty in reaching premises remote from the FTTC solution. NCC have secured a government grant of £8m to allow a full fibre broadband connection to 208 of Norfolk's schools, 108 of NCCs corporate buildings and 34 fire stations. This will allow broadband speeds of 1Gigabit (about 20 times faster than the average speed currently). Additionally, nearby businesses will be allowed to piggyback on to these connections and government grants will be available to cover part of the cost of the connection.

NCC has won praise for its approach to improving mobile phone coverage. A survey was carried out on mobile phone signals across the county and the results were used to create an interactive map and more than 200 council owned sites have been identified in areas of poor mobile phone reception. These sites are being offered to mobile operators as potential sites for new masts.

Mark Kiddle-Morris.

April 2019

Whissonsett Parish Council

Chairman's Report 2020/21

I can safely say that we have all experienced a very unusual year in many ways. Whissonsett Parish Councillors have been consistent throughout with the exception of one resignation and a subsequent co-option. We've adapted to the virtual environment with minor hiccups.

Our District and County Councillors have kept us informed and our Clerk has ensured we're compliant whilst dealing efficiently with all we've thrown at her.

The saga of the Beech Tree and its sad conclusion will stick in my mind. Otherwise, planning applications have reduced to the occasional one or two with no great opposition of late; we have unexpectedly had a change of grass cutting contractor; reports from our SAM II, monitoring speed, have caused no concern. We've had ongoing items with highways, litter, dog fouling and general maintenance of our assets which we continue to deal with where possible.

Financially we remain in a good position. We've made a contribution to some renovations at the village hall and budgeting for significant expenditure on tree surgery resulted in our leaving the precept at the same level for another year.

We have no major plans for the coming year. We are always happy to consider any suggestions or concerns from parishioners.

Sally Dye

WHISSONSETT BOWLS CLUB

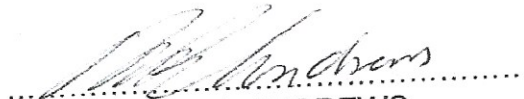

Chairman, Ladies and Gentlemen, I apologise for not being able to take part in the virtual meeting, but today is the start of our 2021 Season. We are playing at Gressenhall.

Due to the coronavirus we did not play any matches in the 2020 season.

During the winter we had the roof refelted as it was leaking. Also two windows were broken in a storm. After seeking advice we were told the door needed replacing. The Club decided to take the opportunity to replace all the windows and doors. Members of the Club also painted the inside and outside of the Club House.

We are always looking for new players and if anyone is interested, please contact me. The Club can provide bowls if needed.

My contact number is 01328 864881.

.....
MR R B ANDREWS
HON. SECRETARY

WHISSONSETT VILLAGE HALL COMMITTEE REPORT for 2020/2021

As we were unable to hold an AGM in Jun 2020 due to the Corona Virus pandemic and the vulnerable nature of both committee members and volunteers, the current committee decided to stay in role and help to manage the situation as best they could.

The previous committee of Dawn Rangeley as Treasurer, Sarah Gore Clough supported by Julie Long as Secretaries and George Rutter as Chair-person remained in place for a second year.

Hall Hire

There has been no Hall hire during the period 1/4/2020 – 31/3/2021.

Fund Raising Events

Caroline Wilson continues to run the Village **100 Club**, which I'm delighted to say has more than 100 members. This makes a significant contribution to the Village Hall funds and our endless thanks go out to Caroline for her support with this. Caroline has submitted her own report, but we would also like to add our kind regards and sincere condolences on the passing of Bill Blake, long time supporter of the Hall in general, but in particular the 100 Club.

Future Events

We currently have no events planned but hope to run some later in 2021.

Whissonsett Arts is currently in limbo and the funds belonging to the organisation are being kept safe under the control of Dawn Rangeley & Caroline Edge (separately to village hall funds).

Advertising and Promotion

We continue to review how the Village Hall is advertised and promoted. We advertise for the year in the Upper Wensum Diary and have an active Facebook presence. We ensure that when they happen events and meetings are well represented in as many mediums as possible (Posters / Printed publications / Online) to reach as many people as possible.

Donation

We were very kindly supported by a donation of china and kitchen ware from Tracy Whitehead, which will help enormously when we re-open.

TREASURER'S FINANCIAL STATEMENT

Whissonsett Village Hall Committee for the year 1/4/2020 – 31/3/2021

Hall Rental	£0.00	Caretaking and Cleaning	£1,460.22

		Balancing Figure	(£6,012.58)

CAPITAL EXPENDITURE

Unfortunately, there was a large expense for the hall this year, when a perimeter wall at the front of the property started to collapse. We engaged local builders Chris and Richard Mason to rebuild the wall and took the opportunity to install foundations and improve the height of the wall on the carpark side to come in line with current regulations. Whilst doing this a problem with the drains was also identified and fixed, so a good job done very thoroughly!

Plans that have been discussed for quite a while have started to come to fruition during the lockdown as we were in receipt of a Grant from the Government for Covid Regeneration, funds were successfully applied for from Breckland Match Funding Scheme and a very kind donation was made by the Parish Council. We also received funds from the Tesco 'Bags For Help' scheme.

We have improved the electrics at the hall (2 of 3 phases of work have been funded and completed) and a new kitchen has been planned and purchased which will be fitted in May 2021. Our thanks again go to Caroline Wilson who kindly met with various kitchen designers and suppliers, to get plans in place in anticipation of being able to move ahead with this project and to local tradesman Dean Cann for his super work thus far.

Just before the work was started, we discovered a problem with the flat roof over the kitchen, so some of the grant had to be diverted to pay for a new roof to be installed, which was kindly arranged by George Rutter.

We hope to apply for lottery funding shortly to assist with the final phase of the electrical work and some other improvements, perhaps to include a new boiler, more efficient hot water provision, decoration and new window dressing. Keep your fingers crossed for us please!

We are currently refurbishing the doors to the hall and were very pleased to have a number of volunteers turn up during lockdown to help us with painting and renovating some of the outside features at the hall when the weather finally allowed. Thank you to Sarah Gore Clough for organising the sessions.

OVERALL CONCLUSION

Due to the hard work of a small and dedicated team of volunteers (and their other halves, un-named but very much appreciated!), we have survived the pandemic and hope to re-open shortly to support the village in a better physical state than before.

The hall is situated at the heart of the village and is the only social amenity Whissonsett has. We will continue to provide essential services to both the Community and the Church and we will continue to work closely with the Parochial Church Council to support fundraising.

We are very grateful for the loyal support of all the local clubs, who we hope will be able to start functioning again shortly and everyone who uses the village hall in normal circumstances.

At the time of writing we need new volunteers for the Village Hall Committee for the forthcoming year and will need people to step forward if we want the facility to continue. As George Rutter has had a landmark birthday recently, he has decided it is time to step down, so the role of chairman will be vacant and must be filled. Our heartfelt thanks go to George for stepping into the breach when we last needed support and for all of his hard work subsequently.

We are arranging a leaflet drop to ask for volunteers and have been supported by the administrators of a new Village Community Page on Facebook, who are spreading the word for us.

As a representative of the current committee, I thank you for your time and look forward to seeing as many of you as possible at our AGM when the date is fixed and at events and committee meetings in the future.

Dawn Rangeley
Treasurer
3rd May 2021

THE WHISSONSETT 100 CLUB (LICENSED UNDER THE SMALL LOTTERIES BRECKLAND COUNCIL)

The Whissonsett 100 Club year normally runs from July 1st until June 30th. The 2019/20 year opened in July with 126 members, but we had to close down transactions because of Covid 19. Closing in March 2020 meant there were four more months to run. We notified Breckland of our decision and put a notice out in the village. We began once again in July and completed the year in October.

The 100 Club year now runs from November 1st until October 31st. We have 117 members who all pay annually, there are no monthly collections. The rollover bonus of £200 was paid in December to six lucky winners!

I would like to offer our condolences and heartfelt thanks to Mr. and Mrs. Bill Blake who have supported the 100 Club for many years, organizing the draws each month. Sadly Bill has been very poorly and passed away in April this year. Our kindest thoughts and thanks to Ann and her family.

Caroline Wilson
1st May 2021

Whissonsett Annual Parish Meeting

3rd May 2021

2010 Group Report

Having spoken to and or seen most members of the 2010 group I am pleased to report that they are well and more than ready for our meetings to resume.

Many have used their skills throughout lockdown to keep occupied and are looking forward to village hall life resuming when they can use them to support fundraising events.

Provided the hall is available this will be on Monday 14th June at 10.00am - 12.00.

Initially this meeting will be to discuss the future of the running of the group. It has always been a social morning with bring what you do to do in the way of craft, art etc and joining the company of like-minded people, exchanging ideas and expertise plus essential coffee.

May's entry in the parish magazine will give more definite details of dates for the future.

Jean Hart

Whissonsett Horticultural Society: Annual Report to Parish Council

May 2020

Whissonsett Horticultural Society is still in existence, but like many other similar groups, we have had to cancel all the meetings and both our shows as a result of Covid restrictions. During full lockdown from March 2020, we clearly were not able to have any meetings. We did look at other possibilities such as some sort of online presence, but it became clear that there was not a great appetite for this amongst our members.

We reviewed our decision every few months, but at no point was it appropriate for us to attempt face to face meetings. We have kept in touch with our membership, but had almost no response, which is probably not a surprise.

The committee did meet virtually last month, and we are making tentative plans for a September Show – this was the earliest point at which we felt it was likely to be realistic and safe enough. We will be meeting again soon to review the situation and hopefully to make the plans a little more concrete. Obviously, this is all dependant on the Village Hall being open and restrictions allowing

Our thinking is that the September Show will be a more 'informal' event, open to anyone who wants to enter and with a much smaller number of categories for entries. We are hoping that in doing so, we may attract more people, perhaps shift the culture or more importantly the perceived culture to encourage a wider audience. The Show isn't just for those who are experts in horticulture, rather we want to encourage people's enjoyment of gardening. It doesn't have to be perfect.

In terms of our financial situation, we continue to have a healthy balance. We will however need a couple more people to volunteer to be on the committee as understandably at least one of our longstanding and much valued group of committee members has now decided to stand down.

Fingers crossed for September.

Sian Griffiths

Chair

May 2021

ST MARY'S CHURCH, WHISSONSETT

Report from Secretary/Treasurer/Fabric Officer to Annual Parish Council Meeting –
3 May 2021

Work of the church during 2020

Incumbent: The Revd Robin Stapleford

Committee Members:

Vice Chairman/
Fabric Officer/H & S
Treasurer/Secretary
Fabric Officer/ H & S

Mr George Rutter
Mrs Susanne Rutter
Mrs Caroline Wilson
Mrs Jean Hart
Mrs Ann Seaman
Mr Mike Travis
Mrs Hilary Weston

Electoral Roll 2020: 34

During the past year there were 3 funerals, no internments and no weddings.

There was an average attendance at services of 17. The number of services was considerably down due to their suspension for much of the year.

Whissonsett Parochial Church Council complied with the House of Bishops' guidance on safeguarding according to the Safeguarding and Clergy Discipline Measure of 2016.

The detailed plans for the kitchen and toilet were compiled by the Architect in March 2020. Unfortunately, these have not been discussed/approved by the PCC due to the inability of holding face-to-face meetings. It is hoped that this project can be revived during 2021.

Very few fund raising events were able to be held. We are very grateful to Mrs Jean Hart for her hard work in creating cards for sale throughout the year, resulting in £152 being added to funds.

The final payment was made to EFL, roof contractor for completing the repairs. Income being down – only £4,100 was paid as the Benefice share – from a request of £10,190.

Due to the generosity of members of the congregation the Current Account closing balance at 31 December 2020 was broadly the same as the previous year.

The PCC would like to thank the dedicated band of helpers who work so hard throughout the year keeping the church looking so clean and beautifully decorated with flowers.

Once again, the Churchyard and Camping Land have been kept tidy by Mr Gary Lake and his team for which we are very grateful and many thanks to Whissonsett Parish Council for their continued support towards this very important maintenance.

Sue Rutter

Annual meeting SAM II Report

April 2021

Catherine McGee

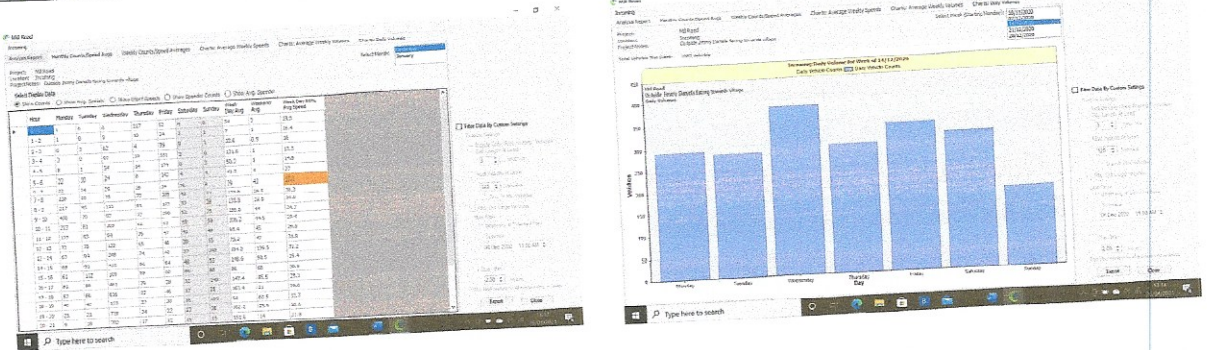

Over the last 12 months the Parish Council have been monitoring the SAM II speed indicator which is sited at various spots around the village.

The current sites are West End, Mill Road, Colkirk Road and Dereham Road, I am sure you will have noticed them. They are positioned at the site for around 4 weeks and don't return to that location until the SAM II has been placed at all of the other locations.

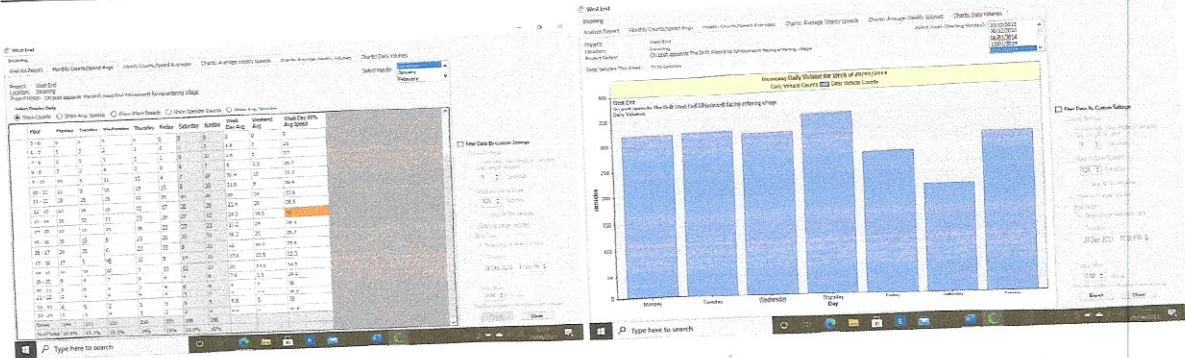

The graphs below show some of the data from each location that we discuss at the Parish Council meetings. The graphs show the speeds of vehicles passing the SAM along with the dates and times and where excess speeds are recorded, we can pass that information to the police who will then come out to the village to follow up monitor speeds themselves. The other graph shows vehicle volumes.

We are currently considering some new locations and are awaiting confirmation from Norfolk County Council Highways Department.
